

All Stars Academy Sandlot

COVID-19 Safety Precautions/Procedures

- Players who are showing any signs of illness, or have had recent contact with a person diagnosed with COVID-19 are asked to stay at home.
- To avoid overcrowding, we have scheduled sufficient time between games to allow for one set of teams to depart before another set of teams arrive for the next session. We ask that you arrive at the facility five (5) minutes before the start of your session. If you arrive earlier, please wait in your vehicle.
- For contact tracing purposes, all players must check in when entering the building. During the check-in/drop off process, all players will be required to have their temperatures checked to ensure that they are fever free.
- In an effort to keep the occupancy level low, we highly recommend that parents drop their players off for their scheduled games, and return to pick them up at the end of the session.
- If a parent must stay, and to allow for appropriate social distancing, only one (1) spectator will be allowed in the building with each player. This will be strictly enforced.
- All players must provide their own equipment – sharing will not be allowed. We ask that players only bring their gloves and bats with them into the building. Please do not bring your bat bags or equipment bags with you. The use of batting gloves is optional, but is highly recommended. Batting helmets are not needed and should not be brought into the building.
- Once on the field, players must adhere to the social distancing guidelines put in place by All Stars staff. The staff will also direct players where to put their bats and gloves during the game.
- Once the game has been completed, we ask that all players and spectators promptly leave the field. Please do not linger inside the building.
